# Dedication

That best portion  
of a good man's life, --  
his little, nameless,  
unremembered acts of  
kindness and love.

-- Wordsworth

Mr. Gary Lacey

The high school life is filled with many different memories, expressions, and emotions. The sharing of a bon fire, the thrill of victory, the satisfaction that comes with accomplishment--these, along with a few bitter experiences, are some of the facets that make the high school year a living success. I believe that this has been the story of the 1968-1969 year at Hilmar High School.

It is the sincere hope of this staff, that captured within the following pages of words and pictures is the essence of that story.

# Student Government

Gary Bettencourt  
President

This year I considered myself very fortunate to serve as your Student Body President, to me a most gratifying and memorable opportunity.

Having ambitious Student Body Officers and an understanding faculty and administration was a pleasure.

We set out goal with the highest standards possible, bettering the progress in education and recreation in Hilmar High.

We and those who helped us are very happy with the results.

Speaking for myself and my Student Body Officers, thank you for all the support you gave us when most needed.

Best wishes to you throughout your future years.

The Future Nurses Club, under the guidance of Mrs. Chandler, held many activities this year. Many girls visited nursing homes while others worked as candystripers at Emanuel Hospital. The speakers at the noon-time meetings discussed the many phases of nursing and the necessity of nurses in our hospitals.

## C.S.F.

These hard-working bookworms represented our school in district meetings where they exchanged ideas and met many friends.

During the winter they attended a district meeting in Hughson where a new process of teaching was demonstrated.

Mr. Boehme, their advisor, has aided in the planning of activities throughout the year.

## F. F. A.

Mr. Fisher-Advisor

These Future Farmers are known throughout the area for their prize winning ability. During the past summer at the new Cal Expo, our chapter won 19 of the 39 blue ribbons awarded in dairy, plus 6 championships and 11 trophies, including the sweepstakes trophy. At the local fairs they did even better.

This group also led the Western Day activities.

Once again this year the Hilmar High School Chorus put their singing abilities to use by performing for the community in their Christmas and Spring Concerts.

In the fall the "Sixteen Plus Four" entertained for local civic functions including the Chamber of Commerce and the Hilmar fashion show. In addition, they sang at the Fresno Seminar for High School vocal groups.

# ADMINISTRATION

Eugene R. McSweeney  
Superintendent

As this school year comes to a close, and the seniors prepare for graduation, we all look ahead with apprehension at what the future holds in store.

It is said, and with a great deal of conviction, that occupations for non-skilled workers will soon become virtually non-existent. This will mean being completely retrained for an occupation that today does not even exist.

It has been our aim, with the graduating class of 1969, to educate each individual so that he may be able to train and retrain for specific tasks demanded of him.

This graduating class has accomplished many things over and above what was expected of them. We hope that as individuals you will continue this pattern into your future lives.

To each of you we extend our congratulations and our very best wishes for a future filled with success and happiness.

*Eugene R. McSweeney*

The Girls' Athletic Association, under the supervision of Miss O'Mara, took a leading part in the more feminine sports activities of the area. It followed the boys' lead with football and basketball in the winter and baseball in the spring.

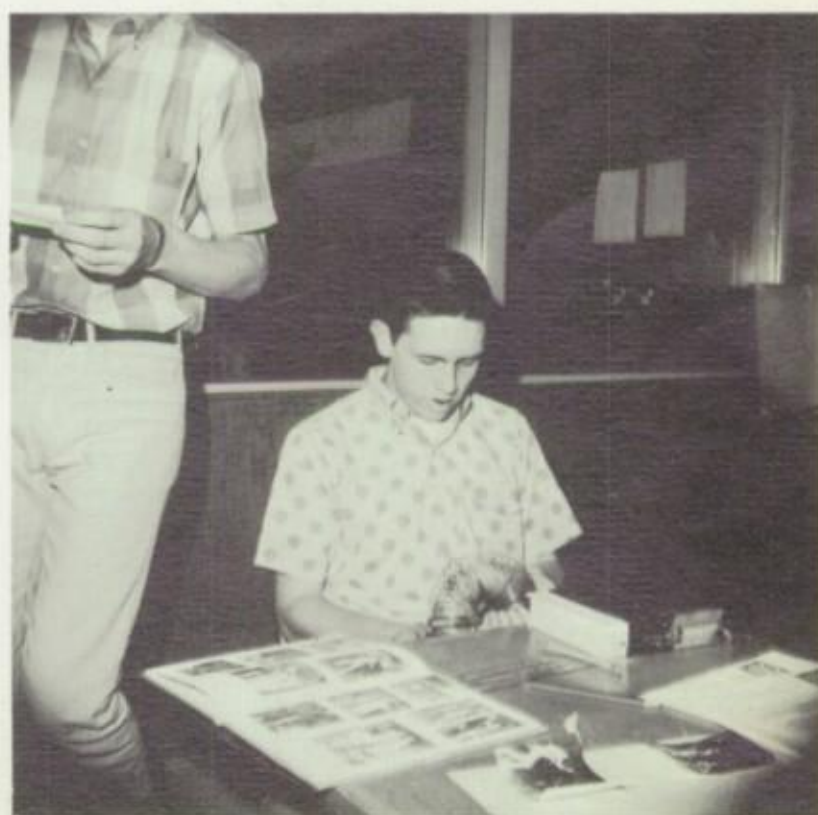

This club also served Hilmar High by selling programs at games and with its fine presentation of the annual football banquet.
